Summer Camp 2026

Building the Foundation for a Lifetime of Learning

Calendar Items

- Summer Camp Dates:
Mon. June 1st – Fri. June 26th
- Moab Montessori will be closed for the month of July.
- New school year begins
Mon. August 10th

Toddler Class

Happy June! This month we will have fun learning about ocean animals and their particular habitats, by using sensory play, reading stories, creating artwork, and using different work lessons that show us the variations of these different ocean animals. We will spend time reading and playing at the library and sun court as well as playing in the water as much as possible! Spare clothes/swimsuits will be needed each day.

Summer Snack Menu

	Morning	Aftercare
Monday	Bagels with cream cheese and fresh fruit	Yogurt & granola cups with fresh berries
Tuesday	Apple slices, string cheese, mixed nuts, crackers	Ham & cheese roll ups, pretzels, cucumber slices
Wednesday	Tortilla chips, salsa, black beans, guacamole	Cheese, crackers, fresh veggies
Thursday	Almond butter and jam on whole wheat, baby carrots	Trail mix (Rice Chex, nuts, seeds, raisins), fresh fruit
Friday	Pizza! Sauce, pepperoni, peppers, black olives, cheese	Chips, salsa, sour cream, guacamole

Primary Class

Yay for summer! We are excited to stay cool while having fun Montessori style with lots of lessons and activities around our theme for summer camp, "Water is Life"! We will spend the first few days getting to know each other and our new group members as well as our classroom rules and routines. Then we will dive into studying the water cycle, creek ecology, aquatic insects, and ocean life. We will be taking nature walks around our neighborhood area as well as walks to Mill Creek to study and observe riparian life up close. We will also have lots of water-themed work for the children to enjoy as well as water play outside!

We are looking forward to lots of summer fun including fun demonstrations and activities, walking field trips, yummy summer snacks, yoga, art, dancing, and water play!

"The goal of early childhood education should be to activate the child's own natural desire to learn."

-Dr. Maria Montessori

Playing Safe This Summer!

Please be sure your child is prepared for outdoor fun each day. We will be encouraging the children to wear hats and take frequent water breaks. We will also reapply sunscreen after lunch. Please help your child apply sunscreen before school and see that they have a shade hat and clothes and shoes that can get wet/dirty at school each day.
